T. C. BARNESLEY HOME FROM EUROPE

T. C. Barnesley arrived home, Sunday night, from his trip to Europe. He had some hair breadth escapes from death in trying to get home. When war was declared he was in Germany. He went from there to Russia and narrowly escaped being guillotined. By the help of an influential friend he was allowed to get out of the country without being drafted into the Russian army. He went from there to Norway and then to England and embarked for America in an English vessel. They were chased by a German ship but finally landed on Canadian soil and from there reached the United States. Mr. Barnesley is glad to again be in the land of the Stars and Stripes.

The Case of L. L. Cantelou

The case of L. L. Cantelou, Clarendon, Texas, is similar to that of many others who have used Chamberlain's Colic, Cholera and Diarrhoea Remedy. He says, "After trying a doctor for several months, and using different kinds of medicine for my wife who had been troubled with severe bowel complaint for several months, I bought a 25c bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After using the second bottle she was entirely cured." For sale by all dealers.

Don't worry about the war and you will have no worry about your furniture if you will buy from H. I. BRADFORD. 38 tf
